

Brio360 Celebrates the Release of the 60th Episode of Value Drivers Podcast, Aiming to Inspire and Inform

NEW YORK, NY, UNITED STATES, October 9, 2024 /EINPresswire.com/ -- Brio360, the consulting firm that accelerates [value creation](#) for clients, proudly announces a significant milestone: the release of the 60th episode of Value Drivers, its acclaimed weekly [podcast](#). Since its launch in the spring of 2023, Value Drivers has become a vital resource for insights on [financial management](#), leadership, and emerging technological trends. In its first two seasons, Value Drivers has featured in-depth interviews with startup founders, CFOs, CEOs of publicly traded companies, and financiers across various industries, including eCommerce, SaaS, biotech, nanotechnology and other sectors. Throughout these conversations, a wide range of topics has been explored, with artificial intelligence as a key focus in understanding its influence on companies' strategies and business processes.

"We are excited to reach this important milestone," said Peter Ho, managing partner of Brio360. "The stories and insights shared by our remarkable guests are what make this podcast special. We are committed to continuing to provide a platform where practitioners of value creation can connect, learn, and inspire each other."

Brio360 extends its gratitude to the distinguished guests in Season 2 who have contributed to the success of Value Drivers:
