

# WINTERGREEN INTRODUCES NEW WINTERGREEN LIGHTING® 5MM CONTRACTOR PACKS FOR FASTER, MORE EFFICIENT INSTALLATIONS

*Wintergreen Corp, a leader in wholesale Christmas lights, announces new contractor packs, designed to make installations faster and more cost-effective.*

ALPHARETTA, GA, UNITED STATES, December 2, 2024 /EINPresswire.com/ -- Wintergreen Corporation, an industry leader in wholesale Christmas lights, is proud to announce the launch of its new contractor packs. Designed to make installations faster, easier, and more cost-effective, these packs come in balled light sets with no inner packaging—just open the case and start installing!

These sets feature Wintergreen Lighting® high-quality 5mm mini lights that commercial installers rely on, now optimized for even quicker installation. With a lifespan of up to 100,000 hours and engineered for durability, the lights are ideal for both indoor and outdoor projects. The patented one-piece husk prevents corrosion from moisture, with an IP66 rating that ensures they are water, dust, and dirt resistant.

## Key Features:

Contractor Pack: Balled light sets with no inner packaging for faster installation

Durability: Bulbs last up to 100,000 hours with patented moisture-resistant construction

Energy Efficiency: LEDs use up to 90% less energy, exceeding ENERGY STAR qualifications

Clean Design: Tighter wire twists offer a sleek, professional look

These Contractor Packs are available in cases of 24 sets, making them a perfect choice for professionals seeking to save time without sacrificing quality. They are now available through Wintergreen's wholesale channel. For more information or to become a wholesale customer, visit [wintergreencorp.com](http://wintergreencorp.com).
