

Equator Launches 26" Portable Electric Fireplace with 7 Color LED and Remote

HOUSTON, TX, UNITED STATES, October 10, 2024 /EINPresswire.com/ -- [Equator Advanced Appliances](#) proudly presents the Equator 26" Freestanding Portable [Fireplace](#), an elegant solution to add warmth and ambiance to any space. Designed for flexibility and portability, this 5000 BTU fireplace combines safety and style with a range of advanced features that make it ideal for homes, tiny houses, vacation properties, or RVs.

This PFL 255 model boasts a realistic [flame log effect](#) and 7 color LED lights—including orange, green, blue, white, and multi-color combinations—that provide a customizable and cozy atmosphere. Its compact size of 21.9 x 25.5 x 12.2 inches (HxWxD) ensures it fits perfectly into any space, while the walnut finish adds a touch of sophistication. Plus, with five levels of brightness, users can adjust the flame intensity to suit their preference.

Safety is a top priority with this fireplace, offering overheating protection, which automatically shuts off the unit when the temperature reaches 212°F. The adjustable thermostat (from 65°F to 95°F) and automatic power off timer (30 minutes to 9 hours) provide ultimate control over heat and operation. Additional convenient features include side view glass windows, wheels for mobility, and a remote control for effortless adjustments.

The Equator 26" Portable Electric Fireplace heats up to 400 square feet and is available for \$439 at leading retailers such as Lowe's, Home Depot, Wayfair, Walmart, and Amazon.
