“

This ranking celebrates our drive to push boundaries in a challenging landscape, embracing fast-growing tech industries and prioritizing strategy and creativity to drive our clients' transformation.”

Sophie Ann Terrisse, Executive Chairman of 26FIVE

“26FIVE's ranking celebrates our team's drive to push boundaries in a challenging business landscape,” says [Sophie Ann Terrisse](#), Executive Chairman of 26FIVE. “We've embraced fast-growing tech industries such as CommTech, BioPharma, AI, and sustainability, taken calculated risks, and prioritized strategy and creativity to drive our clients' transformation.”

“As one of the fastest-growing firms, our success is driven by our ability to deliver measurable, long-term growth for our clients. We consistently push boundaries and open new opportunities,” says Claire Butkus, Lead for Growth Insights. “Stickiness and long-term skin in the game

differentiate us from traditional firms and agencies. We are a specialized consulting firm, but also execute on our strategies, being accountable for our clients' outcomes,” comment Stephanie Liu and Jason Chitwood, Managing Directors. “We have intimate knowledge of their industries, customer relationships, and internal operations, partnering with them throughout their long-term corporate strategies with new ideas and solutions.”

“We invest in and nurture a culture of entrepreneurship where every team member can think and act like an owner,” adds Trevor Lewis, Principal and Digital Lead. “We’re growing fast because we’re growing together, exploring, developing, and adapting together. We believe that’s the key to our steady success.”

“The fabric of our team is singular—young but expert, bold but business-savvy, professional but fun,” conclude Austin Lee and Marco Velazquez, Creative Leads. “26FIVE is where you can own your creative work, curating mega-super brands or launching start-ups. There is no limit to embracing new technologies and experiences. Growth is not a concept but a way of thinking and being.”

26FIVE has carved its place in the industry by combining creativity, strategy, and technology, delivering [innovative solutions](#) for its global client base. Adopting emerging technologies early and fostering a culture of elasticity, the company wants to remain niche and a long-term, trusted partner to brands seeking growth in a rapidly shifting marketplace.

About the Inc. 5000
