LOS ANGELES, CA, UNITED STATES, October 11, 2024 /EINPresswire.com/ -- Independent Film

“

The mission to make America laugh, not fight. Unbiased political satire makes us laugh; I am delighted that Mark Zuckerberg has realized this and stopped the censorship.”

Alex Ayzin, Producer

Producers of a the new cinematic humoristic view of Trump Presidency 'American Comedy-Make America Laugh Again' Are Celebrating the End of the Facebook Censorship against them. The apology by Mark Zuckerberg to Congress last month for Facebook's behavior including blocking add buys for the film on Facebook is extremely important to Independent Film makers who count on Social Media to promote their films.

Pete Allman's portrayal of Donald Trump in ' American Comedy'is calamitous, and veteran actor Dan Lauria (The Wonder Years & Pitch) as the Pope, Tom Hallick as Biden

(Murder She Wrote-Young and the Restless), is excellent but controversial work. Eric Roberts as the mob boss is very controversial. From Nancy Pelosi to Vladimir Putin, viewers will experience this controversial comedy as Trump boldly leads viewers through predictable unpredictability

“With no fear or hesitation, Trump finds himself learning on the job as he plods along his collision course with other political leaders creating one debacle after another. Politics becomes comedy as each character offers their own set of idiosyncratic circumstances.”, says producer Alex Ayzin.

Film is centered on Trump's visit to Los Angeles where he comes to improve his standing with California voters.

The plot has Donald visiting Mexican taco stands, Russian, Chinese and Persian restaurants to

sample ethnic foods in order to connect with local communities and improve his image.

At the restaurants he also meets with other world leaders. There is even a scene with wife Melania (portrayed by Marianna Trofimova) giving him a hard time slapping him for being overweight.

Trump decides to escape from the US to Mexico with the help of the Mob Boss (Eric Roberts).

However he gets stuck on top of the Border wall, not being welcomed in Mexico and not being able to return to United States...
