[BrightMind Consulting Group](#), led by acclaimed leadership expert [Jevon Wooden](#), has partnered with [SHFT!](#), founded by Elena Agaragimova, to deliver a transformative half-day workshop at LeasePlan UAE. The session, designed to foster psychological safety and high performance, marks a significant milestone in LeasePlan's ongoing commitment to building a culture of care and innovation.

Hosted at the W Abu Dhabi - Yas Island, the dynamic four-hour workshop drew enthusiastic participation from the entire team. Jevon Wooden, CEO of BrightMind Consulting Group, commented on the high level of engagement: "The energy in the room was electrifying. The team's openness, willingness to collaborate, and commitment to one another truly set the stage for a successful experience."

This collaborative event was made possible through the strong leadership at LeasePlan, whose vision for LeasePlan's cultural development has been pivotal. The workshop provided participants with tools and insights to

further enhance their workplace relationships, communication, and performance while maintaining an environment where psychological safety is prioritized.

"It's truly inspiring to witness the way LeasePlan employees show up for each other, share ideas, and collaborate," Wooden noted. "When a culture of care is at the heart of an organization, high performance naturally follows."

LeasePlan has continued to lead by example in the UAE's corporate landscape, ensuring its teams feel empowered, supported, and ready to innovate. This workshop reinforces their dedication to employee well-being and creating an inclusive environment where every voice matters.
