

# Guaranteed to Brighten any Room: Westerlay Orchids Debuts Stunning Sunstone Orchids

*Orchids have proven to be the quintessential centerpiece; and this sunny and vibrant bloom will not disappoint*

CARPINTERIA, CA, UNITED STATES, October 11, 2024 /EINPresswire.com/ -- [Westerlay](#) distributes over 4 million orchids annually, each carrying a meaningful story—whether gifted to friends, loved ones, or as a personal pick-me-up. The Sunstone is brand new to Westerlay. And is created by using a double spike 5” Phalaenopsis dyed with their new Sunstone Dye, the orchid mimics beautiful sunrises and sunsets. This latest offering further showcases Westerlay’s commitment to trend-focused planning and has cemented them as an innovation trailblazer.

“The Westerlay’s Sunstone Orchids are some of our most vibrant orchids, a truly unique bloom set apart from the rest. I challenge anyone not to smile when looking at one!” says Toine Overgaag, President of Westerlay Orchids. “With an orchid’s long life span, long blooming cycle, and easy care, it is the gift that keeps giving.”

For an immersive orchid experience, guests can visit Westerlay’s newly renovated Retail Showroom in Carpinteria, California. Thanks to its use of solar power and water recycling and strict adherence to industry best practices, Westerlay has received an A rating from the acknowledged industry organization [MPS](#) for eight years running.
