

Liaison Technology Group Introduces Revolutionary Laundry Solution in Partnership with Laundry Jet in Colorado

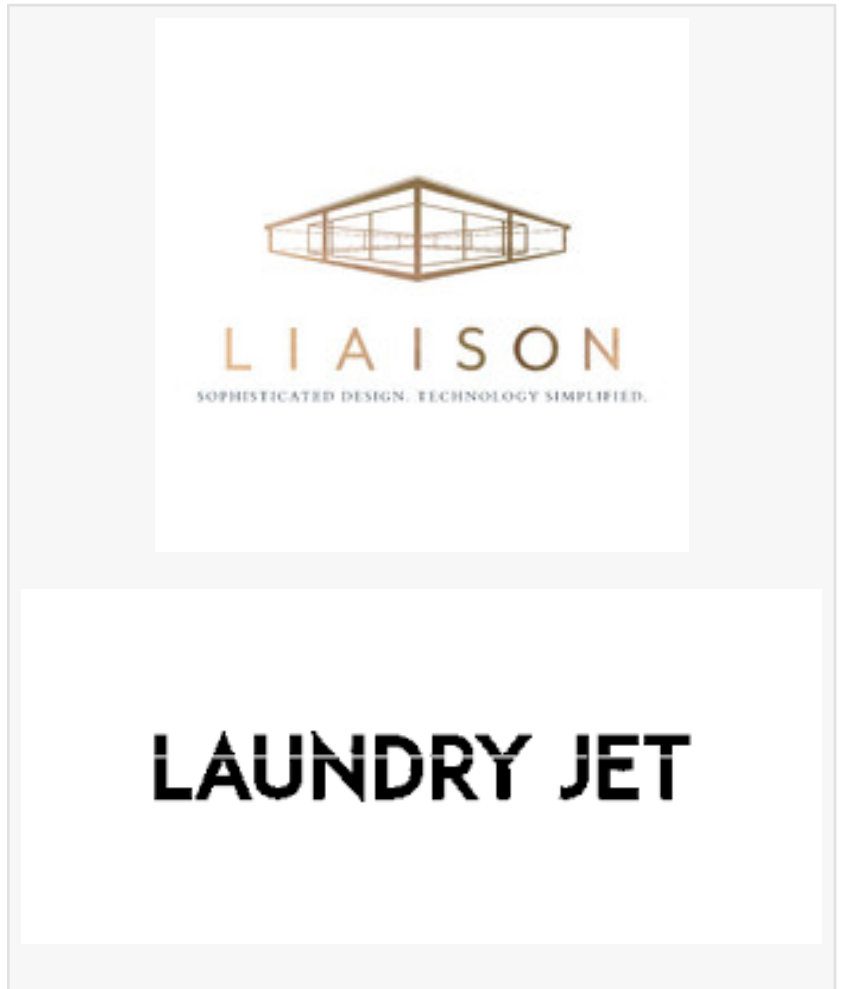

Liaison Technology Group collaborates with Laundry Jet to launch an innovative laundry system in Denver, Basalt, and Aspen, CO.

DENVER, CO, UNITED STATES, October 11, 2024 /EINPresswire.com/ -- In an exciting new partnership, Liaison Technology Group, a [go-to provider of home automation services](#) and technology, announces its collaboration with Laundry Jet to bring a ground-breaking laundry system to residents in Colorado. This initiative will serve the communities of Denver, Basalt, and Aspen, bringing sophisticated technology into everyday life.

Laundry Jet's innovative system modernizes the traditional concept of laundry management by using a powerful air-driven system to transport clothes effortlessly from any room to the laundry area. This technology simplifies the process, reducing the physical strain and time associated with managing laundry, thus offering a perfect blend of convenience and efficiency.

"This new partnership with Laundry Jet exemplifies our commitment to integrating cutting-edge technology that enhances the daily life of our clients," said Steven Webb, CEO of Liaison Technology Group. "Residents of Denver, Basalt, and Aspen will now be able to enjoy the ultimate convenience in laundry management, making it faster and more enjoyable."

The strategic introduction of Laundry Jet in Colorado reflects Liaison Technology Group's vision

to continuously adapt and evolve home automation solutions to meet modern lifestyle demands.
