iLeaseXpress: Affordable ASC 842 Lease Accounting Solution for Companies Moving Beyond Spreadsheets, Starting at $99/Mth

iLeaseXpress: An easy-to-use, affordable ASC 842 cloud solution for companies managing 15 leases or fewer, starting at just $99/month. Free for under 5 leases.

BEVERLY, MA, UNITED STATES, October 15, 2024 /EINPresswire.com/ -- iLease Management LLC is excited to offer iLeaseXpress, a cost-effective lease accounting cloud solution that helps

iLeaseXpress

The easiest to use, most cost-effective, and accurate solution to the FASB ASC 842 Lease Accounting Standard Changes

businesses move away from outdated spreadsheet-based processes. iLeaseXpress is the perfect solution for companies with under 15 leases and looking for an affordable, user-friendly tool that ensures full compliance with the ASC 842 lease accounting standard. iLeaseXpress is Free for companies with up to 5 leases, just $99 per month for up to 10 leases, and $149 per month for up to 15 leases.

" Many companies use spreadsheets, which can easily cause errors when changed. iLeaseXpress offers an affordable, accurate solution that saves time, reduces errors, and simplifies ASC 842 compliance."

John Meedzan, Managing Partner of iLease Management LLC

Since its launch, iLeaseXpress has already been embraced by businesses seeking a better way to manage smaller lease portfolios. Many companies continue to rely on spreadsheets, a method that is prone to errors, time-consuming, and difficult to scale as lease portfolios grow. iLeaseXpress addresses these pain points by automating lease calculations, reporting, and compliance processes, providing a modern solution for today's lease accounting needs.

The Time to Switch from Spreadsheets is Now

With ASC 842 requirements placing more pressure on businesses to accurately account for their leases, iLeaseXpress offers a timely solution. It's specifically designed for small to mid-sized companies that find themselves bogged down by manual spreadsheet processes and need an affordable alternative. iLeaseXpress makes the

transition simple, automating the tasks that are most often susceptible to errors and inefficiencies in spreadsheets.

"Even though iLeaseXpress has already launched, many companies still aren't aware of how much time and effort they could save by switching from spreadsheets," said John Meedzan, Managing Partner of iLease Management LLC. "We're offering iLeaseXpress to companies that want to stay compliant with ASC 842, reduce errors, and free up valuable time by using a fully automated system at a cost that makes sense for a smaller number of leases."

Key Benefits of iLeaseXpress

- Eliminate Spreadsheet Hassles: Replace cumbersome spreadsheets with an automated, error-free lease accounting platform.
- Streamlined Compliance: Automate calculations, reporting, and journal entries, ensuring ASC 842 compliance effortlessly.
- Simplify Lease Modifications: Easily manage lease term changes and remeasurements with a user-friendly platform.
- Centralized Management: Manage real estate, equipment, and vehicle leases from one system, ensuring consistency.
- Audit-Ready: Built-in audit trails and compliance checks make your lease data fully audit-ready and transparent.
- Affordable and Scalable: Starting at just $99/month, iLeaseXpress grows with your business, no matter the size.

A Perfect Fit for Small and Mid-Sized Businesses

iLeaseXpress is ideal for small and mid-sized businesses that find spreadsheets no longer adequate for managing their lease portfolios. iLeaseXpress offers the automation and accuracy they need to comply with ASC 842, without breaking the bank.
