The Chinese Industrial Products Exhibition 2024 (CIPE) is set to take place on November 18-19, 2024, at JOCIC Park, KEZAD, Abu Dhabi, marking an important milestone in the history of diplomatic and economic relations between China and the UAE. This year's exhibition holds special significance as it celebrates 40 years of diplomatic ties between the two nations.

CIPE 2023 - Chinese Industrial Products Exhibition

CIPE 2024 will bring together over 100 exhibitors showcasing the latest advancements in advanced manufacturing, green energy, oil equipment, and environmental protection. The event will provide a platform for businesses to explore strategic partnerships, discover new investment opportunities, and highlight cutting-edge innovations in the industrial sector.

Event Highlights:

1. More than 3,000 visitors are expected to attend, including top business leaders, government officials, and investors from the UAE and China.
2. 100+ exhibitors will present the latest industrial technologies, manufacturing advancements, and green energy innovations.
3. A special focus on investment opportunities in the KEZAD and JOCIC zones, which support sustainable industrial growth and future-ready business practices.
4. Aligned with the UAE's Vision 2030 and China's Belt and Road Initiative, CIPE 2024 serves as a catalyst for strengthening bilateral relationships while fostering a spirit of collaboration and innovation. Attendees will have the opportunity to participate in B2B networking sessions, meet

leading manufacturers, and engage in industry-specific discussions with key thought leaders.
