About Cahero Holding

Alfonso Cahero Tatto founded Cahero Holding in 2013, intending to generate, through their business conglomerate, integral solutions that satisfy the needs of their clients worldwide, all within the following industries: finance, construction, and real estate development.

On the other hand, Cahero Family Office was founded in 2016 with the aim of offering its investors a platform of excellence in analysis of investment opportunities worldwide. Offering stable returns, with solid legal structures that protect the assets of the family office, and that

generate organic growth for the companies in which we invest.

Artificial Intelligence in Cahero Family Office

Last week in Dubai, Alfonso Cahero Tatto, president and founder of Cahero Holding, presented the launch of the new implementation of Artificial Intelligence in the back end of Cahero Family Office.

"Thanks to our expansion in the Middle East and Europe due to the high demand from our clients, we decided to implement a cutting-edge technology system, based on Artificial Intelligence, which will allow us to manage our Due Diligence processes more efficiently, in order to create a clinical analysis of the state of each of the companies in which we consider investing in real time".

With this, Cahero Family Office generates a more dynamic operation, perfecting the experience of its investors, offering more innovative investment opportunities that adapt to the new trends of the global market.
