

Capital Numbers Set to Participate at GITEX Global 2024 in Dubai

Capital Numbers to showcase innovative software solutions at GITEX Global 2024 in Dubai, the world's premier tech event.

DUBAI, UNITED ARAB EMIRATES, October 14, 2024 /EINPresswire.com/ -- Capital Numbers, an award-winning [custom software development](#) company providing innovative and high-quality technology solutions, is excited to announce its participation in GITEX GLOBAL 2024. The world's prominent tech event is set to gather over 65,000 top-level executives and directors from 180 countries. This year's theme, "Global Collaboration to Forge a Future AI Economy," highlights the event's focus on advancing global tech initiatives.

The banner features the Capital Numbers logo at the top right. The main text reads "Meet us in DUBAI at" followed by logos for "GLOBAL DEV SLAM x GITEX GLOBAL" and "Dubai World Trade Centre Stand: H26-11 Hall 26". The dates "14-18th OCT 2024" are displayed in a purple bar. Below this, the text "Consult Our Expert Strategists" is followed by three circular portraits of Anindya Mukherjee (Co-founder & Director of Operations), Shovan Moullick (Senior Client Partner), and Subhankar Mukherjee (Director of Sales). At the bottom, the website "www.capitalnumbers.com" and email "info@capitalnumbers.com" are listed.

This year at GITEX, Capital Numbers is eager to engage with global tech pioneers and showcase its state-of-the-art digital engineering solutions. The company aims to demonstrate how its cutting-edge technological expertise, including blockchain, AR/VR, and [AI ML development](#), can help businesses worldwide achieve their digital transformation goals.

“

GITEX provides a unique platform to showcase our capabilities, connect with industry leaders, and forge new partnerships.”

Mukul Gupta

Discussion at the event will revolve around transformative investment trends, AI-driven industry innovations, advanced cybersecurity strategies, and the future of data infrastructure. Participants will also delve into how emerging technologies like quantum computing, advanced robotics, and space technology are expanding the horizons of what's technologically possible.

Mukul Gupta, CEO of Capital Numbers, expressed his enthusiasm about the event, stating,

"GITEX provides a unique platform to showcase our capabilities, connect with industry leaders, and forge new partnerships,". He added, "We're excited to demonstrate how our solutions can contribute to the tech-driven global landscape."

Capital Numbers will be at GITEX Global at the Dubai World Trade Center from October 14th to 18th, 2024. Attendees are invited to visit Capital Numbers at stand H26-11 in Hall 26 to explore the company's solutions and engage with its team of experts.
