Cloud Business Email services deliver high level security, scalability, and customization that all organizations require.”

Sara Radicati

The latest study by The Radicati Group, “Cloud Business Email Market, 2024-2028” provides an in-depth analysis of the worldwide market for business cloud email and collaboration services. The study includes market trends, installed base market share by hosting provider, four-year forecasts, multi-tenant vs. dedicated adoption, breakouts by region, business size, and platform type. The study

provides in-depth analysis of market adoption of Google Workspace, Microsoft 365, and Hosted Exchange.

Cloud Business Email services now deliver the high level of security, scalability, and customization that was once only available in on-premises solutions. These improvements have made cloud-based solutions suitable for organizations of all sizes. Adoption of cloud email is seeing strong growth across all regions and customer demographics.
