

# Conroe Family Law Firm Launches \$1,000 Scholarship for Local Texas College Students

CONROE, TX, UNITED STATES, October 15, 2024 /EINPresswire.com/ --

Attorney Kate Bihm is thrilled to announce the launch of the Butler/McDaniel Memorial Scholarship, which provides an award of \$1,000 to a local student each year. This scholarship program honors both of Attorney Bihm's grandfathers – two men who grew up in small towns, went to public schools, and went on to graduate from universities and achieve tremendous success. Through the Butler/McDaniel Memorial Scholarship, Kate Bihm aims to encourage local students to believe in themselves and persevere while remembering that their local community is an important part of who they are.

Bihm Firm Scholarship

Attorney Bihm offers this scholarship to provide a helping hand to students who grew up in the local area, which is the community she serves. Applicants must currently attend or have graduated from high school in one of the following counties: Montgomery County, Grimes County, Liberty County, San Jacinto County, Walker County, or Waller County. Eligible students are high achievers, and they must be high school seniors or college students who are pursuing an undergraduate, graduate, or professional degree within the United States. Applicants are asked to submit an essay explaining what makes their hometown special and what it has taught them.

This scholarship will be awarded to a new student once a year. To be considered for the 2025 scholarship, applications must be submitted by April 16, 2025. The law firm intends to select a winner by May 16, 2025.
