This prestigious accolade underscores the dedication and excellence of the team at Carolina Hemp Hut

HILLSBOROUGH, NC, UNITED STATES, October 15, 2024 /EINPresswire.com/ -- Carolina Hemp Hut is thrilled to announce that its Hillsborough Dispensary has been named the "Best CBD/Head Shop" in Orange and Chatham Counties by IndyWeek for the second consecutive year. This prestigious accolade underscores the dedication and excellence of the team at Carolina Hemp Hut, who continue to set the benchmark for quality and service in the hemp industry.

Carolina Hemp Hut has extended their winning streak for their Orange County location in the IndyWeek Best of awards.

Founded in 2018 by Mary Lopez Carter, Carolina Hemp Hut was inspired by a personal journey to find better health options using hemp products. Since then, the business has grown to operate two professional hemp dispensaries and an online store, all driven by a commitment to customer satisfaction and community involvement.

“

Winning again underscores our commitment to quality and community, prioritizing healing and empowerment for our customers.”
