“We understand the challenges of preparing healthy, delicious meals while juggling a hectic schedule,” said Clint Deardorff, spokesperson for Heritage Highland Farms. “That’s why we’ve introduced new recipes that not only highlight our sustainably sourced meats but also provide convenient, time-saving methods like slow cooking.”

Heritage Highland Farms’ expanded recipe collection includes a variety of meal options for both weeknight dinners and meal prepping, making it easier than ever to enjoy high-protein, nutrient-rich meals without sacrificing time or flavor. From tender slow-cooked beef roasts to

crispy air-fried chicken and seafood, each recipe is designed to bring out the [best in the farm’s premium cuts](#).

These new recipes are tailored for:

- Busy families: Set and forget slow cooker meals that are ready when you are.
- Health-conscious individuals: Air fryer options that offer a healthier alternative to traditional frying methods.
- Meal preppers: Nutritious, delicious recipes that can be made in bulk for the week ahead.

Heritage Highland Farms sources its beef, pork, chicken, and seafood from trusted partners like Berkwood Farms, Wixter Seafood, and Greener Pastures, ensuring that every meal is of the highest quality and aligned with sustainable practices. All recipes are crafted with the same commitment to wholesome, ethically-raised meats that the farm has built its reputation on.
