COMO, CO, ITALY, October 15, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Arup Taipei by Daisuke Nagatomo and Minnie Jan as the Bronze winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional creativity and functionality of the award-winning office interior, positioning it as a noteworthy example of design excellence within the industry.

The recognition of Arup Taipei by the A' Interior Space, Retail and Exhibition

Design Award underscores the project's relevance to current trends and needs in the interior design industry. By aligning with and advancing industry standards and practices, this innovative office space offers practical benefits for users and stakeholders alike, showcasing the potential for interior design to positively impact the workplace environment.

Arup Taipei stands out for its unique blend of branding elements and functional design. The space incorporates the company's colors and logo in unconventional ways, such as the eye-catching orange and red columns near the entrance. The cement-textured walls and precision-engineered hanging strip lights reflect the company's spirit, from design and engineering to construction. These features create a cohesive and immersive experience that seamlessly integrates the company's identity into the office environment.
