ABOUT

## MARCO ANTONIO SORIANO IV

I am a 4th Gen-Partner and the Chairman at the Soriano Family Office, a leading consortium of global enterprises established in 1903 with privately held businesses in the United States, Europe, & LatAm. My key strategic experience involved:

- Domestic and cross-border private equity-backed and strategic mergers and acquisitions involving private and publicly listed companies.
- Private equity and venture capital fund formation & management.
- Shareholder activist matters, including Advisory Board Memberships.
- Public offerings and private placements of equity securities.
- Global Business Development.
- Venture capital investments.

Over the course of my career, I have had the privilege of leading several of the world's most recognized M&A, public offerings, and fund formation transactions while at Goldman Sachs & most recently integrated with The Merrill Lynch B&A Global Wealth Management Platform.

I am a regular contributor to leading news and information outlets such as CNBC, the Wall Street Journal, Bloomberg News, Reuters, Dow Jones Newswire, Law360, Thomson Reuters, and Fox News. My articles on private equity, M&A, board fiduciary duties, and asset management have been published in books, journals, and periodicals. In addition, over the past two decades, I have lectured and presented at more than 100 conferences throughout the United States, Canada, Europe, and South America.

I work with a broad range of clients from corporate executives, entrepreneurs and business owners to multi-generational families and family offices. As my team consults with clients, we seek the input of family members, across generations, as well family attorneys, accountants, and other trusted advisors. This integrative approach helps to clarify and prioritize goals before translating goals into comprehensive investment plans, helping to ensure efficient structures and strategies are in place as we work together to support your long-term success.

In addition, my access to the global investment thematic research of The Merrill Lynch Wealth Management as well as the banking convenience and lending capabilities of Bank of America helps address various aspects of clients' financial lives. Prior to joining The Soriano Group, I served as a VP at Goldman Sachs Private Banking in London, and The World Bank Group as a Senior Financial Analyst. Today, my insights can be found in my published books & contributions to Entrepreneur, Madness, The Cyber Elephant in The Boardroom, Investing Legacy & most recently, Puede Llegar!
