SYNOPSIS: UNHOLY SONG is a skillfully executed reimagining of the greatest exorcism of all time: the Miracle of the Gerasene Swine, performed by Jesus Christ as chronicled in the New Testament. Set in modern-day Northern California, an obsessed landlord must fight to contain the demonic spirits that have been trapped inside of an audio cassette player. When his tenants unleash the evil force, it is up to their wits and the special skills of Father Bernard to cast the demons back into the bones of the swine –and forever trap the evil under the original spell.
