

Thomas J. Powell Launches 'The Powell Perspective' Podcast to Share Expert Business Insights

Renowned entrepreneur and investor brings decades of experience to a new platform, inspiring listeners to reach the summit of their own success.

RENO, NV, UNITED STATES, October 15, 2024

/EINPresswire.com/ -- This week, renowned business leader and entrepreneur [Thomas J. Powell](#) launched his new podcast, [The Powell Perspective](#), now available on all major platforms including Spotify, Amazon Audible, iHeart, and YouTube. The podcast promises to offer listeners a front-row seat to engaging conversations with some of the most successful entrepreneurs and professionals from a range of industries, providing invaluable insights for founders, business owners, and professionals alike.

With over four decades of experience in asset management, mergers and acquisitions, and entrepreneurial ventures, Powell created the podcast as a way to give back to the business community. Each episode dives into topics like asset protection, business growth strategies, and leadership, pulling from Powell's own expertise and that of his distinguished guests. The first four episodes are already live on all platforms, featuring compelling interviews with industry experts like Brent Buscay from Laughlin & Associates, and [Casey Minshew](#), who discusses innovative strategies in M&A and scaling businesses.

"I'm thrilled to have the opportunity to share what I've learned over the years and to bring some of the brightest minds in business to the table," said Powell. "The Powell Perspective allows us to have honest, impactful conversations about the challenges and rewards of building successful businesses. It's my way of engaging with the business community and offering real value to entrepreneurs who are navigating the complexities of the modern business landscape."

Listeners can expect future episodes to continue featuring high-profile guests who discuss real-
