

National Secure Transport Expands Partnership with C3 Industries to Provide Cash-in-Transit Services in Illinois

Building upon successful partnerships, National Secure Transport will now handle cash-in-transit services for industry leaders in Illinois.

PHILADELPHIA, PA, UNITED STATES, October 16, 2024 /EINPresswire.com/ -- National Secure Transport (NST), a trusted provider of secure cash management and logistics services for cash-intensive businesses and banks across the U.S., today announced an expanded partnership with multi-state operator C3 Industries. This expansion will extend NST's cash-in-transit services to Illinois, marking the 18th state in NST's operational footprint. With plans to reach 29 to 36 states over the next six months, NST is positioned to lead logistics services for cash-heavy industries nationwide.

We've developed customized solutions for C3 Industries, prioritizing fast, reliable service to ensure their cash solutions meet their demands."

Ari Raptis, CEO of National Secure Transport

C3 Industries, the vertically integrated multi-state operator behind High Profile, has been a partner of NST since 2023. High Profile operates retail locations across six states and has previously partnered with NST for its cash-in-transit services in Missouri, Massachusetts, and New Jersey.

"Our collaboration with National Secure Transport has provided great value and logistical solutions to High Profile over the past year. We look forward to growing our partnership in Illinois," said Lynn Martin, Vice President of

Finance for C3 Industries.

Launched in 2017 by Ari Raptis, National Secure Transport's transportation logistics companies employ more than 200 people across more than 28 states, utilizing retired police officers and

military veterans to carry out all deliveries.

“We’ve developed customized solutions for C3 Industries, prioritizing fast, reliable service to ensure their cash solutions meet their demands. We’re excited to expand our cash-in-transit offerings in Illinois, a much-needed service for businesses across various cash-intensive industries. We’re honored to continue earning their trust as we prepare for future growth,” said Ari Raptis, CEO of National Secure Transport.

The new partnership follows recent collaborations with banks in Missouri and Michigan and adds to NST’s expanding roster of 20+ financial partners.
