About Butcher's Naturals:

At Butcher's Naturals, we're not just a brand; we're pet parents, enthusiasts, and advocates. Our journey began from a place of love and concern — a shared experience many pet owners can relate to. Our beloved companions deserved better than the perplexing, lengthy lists of ingredients, unhealthy fillers, and many artificial components that were all too common.

We asked ourselves, "Would we eat something with ingredients we can't pronounce?" The resounding answer was no, and we knew our pets deserved the same consideration. This realization sparked the creation of Butcher's Naturals, a labor of love dedicated to our best friends. For more information about Butcher's Naturals, please visit butchersnaturals.com.
