"Veganism is not just about removing all animal products from your diet; it's about the lifestyle you can lead when you prioritize wellness. That's why I started Vegan VibeZ, because wellness is a vibe, longevity is a vibe, and to be very frank, so is my food," said Ken Freeman, CEO of Vegan VibeZ.

Curators and partners of the festival are determined to promote wellness and educate the society on the vegan lifestyle in a fun and entertaining approach. The event is sponsored by Tesla, Celsius, Go Wellness, Let's Go Drink Mix, and Fan Club Health and Fitness, bringing together the best of fitness, entertainment, and plant-based living.
