

Introducing Cam Locke: The Voice of Old School Romance Returns with "The Four Steps" and "Dear Darling Lilli"

New Book "In Search of Grace" Coming Soon

WHITEVILLE, TN, UNITED STATES, October 17, 2024 /EINPresswire.com/ -- Cam Locke, a passionate author in her 80s, is making waves in the literary world with her captivating stories of love, rodeo, and the rugged charm of the American West. Her two books, "The Four Steps" and "Dear Darling Lilli," released on February 16, 2024, have quickly gained attention for their nostalgic yet timeless appeal. Now, readers can eagerly anticipate her upcoming release, "In Search of Grace," which promises to continue her legacy of heartfelt, old-school romance.

The Four Steps

A contemporary western romance, "The Four Steps" takes readers on a journey through first love, rodeo, ranching, and the undeniable pull of passion. The story follows Burn Sullivant, a determined young cowboy, and Riley Sanders, a shy but fiercely independent barrel racer.

Their paths cross at a high school rodeo, igniting a spark that neither can forget. As they navigate the challenges of rodeo life and their own insecurities, Burn and Riley are drawn together by fate and their deep-seated emotions. Four years later, their reunion at a Fort Worth rodeo forces them to confront the feelings they've both tried to suppress. But can Burn convince Riley that his love is true, and will she be able to overcome her doubts to find happiness in his arms?

Dear Darling Lilli

Set against the backdrop of the American West in 1886, "Dear Darling Lilli" is a tale of resilience, love, and the fiery spirit of a Suffragette. William Sullivant, a young orphan turned successful Texas rancher, meets his match in Lillian Eberly, a strong-willed woman dedicated to the fight for women's rights. Lilli's sharp tongue and fierce independence are no match for William's rugged charm and unyielding determination. As their fiery exchanges lead to unexpected passion, Lilli

must decide whether to continue her crusade against men or allow herself to fall for the one man who challenges her in every way. This historical romance captures the essence of the wild, untamed spirit of the West, and the equally wild hearts of its characters.

Cam Locke brings a refreshing return to the classic themes of love and romance in her writing, drawing inspiration from her rich life experiences. As a product of the World War II era and a member of the Baby Boomer generation, Cam has lived a life deeply connected to the world of horses, rodeo, and ranching. Her love for these elements shines through in her stories, offering readers an authentic and heartfelt glimpse into a bygone era.

Born on the "wrong side of the Muddy Mississippi," as she puts it, Cam eventually found herself in Texas and Oklahoma, where she and her family bred mares and entered the thrilling world of rodeos. Her stories are a tribute to the special kind of life that rodeo, ranching, and horses represent, and her writing is infused with the wisdom and experience that only a lifetime of living this life can bring.

At 80 years old, Cam Locke is proving that it's never too late to pursue your passions. Her books stand out for their dedication to old-school romance, where love is pure, emotions run deep, and the journey is as important as the destination. Cam's writing is a breath of fresh air in a world that often forgets the beauty of simple, honest love.

"The Four Steps" and "Dear Darling Lilli" are available now on Amazon, Barnes & Noble, and other major retailers. "In Search of Grace" will be released soon.
