“With three weeks to go until election day, we are bombarded by political messages. Most of us have made up our minds and will cast our vote for the candidates for U.S. President and Vice President we believe will lead our nation in the right direction. Is there anything else WE can do that will make a difference in the race?”

A site on the STARRS homepage (Home | STARRS) <https://starrs.us/nowhere-else-to-go/> has been set up to "[say a prayer](#)" to guide our nation during this critical time in our history," said Scott.

"Post a prayer from your own faith tradition for our nation, according to Baldwin and Webster. "Some prayers will begin with 'Dear Jesus ...' or 'All Holy Trinity.' Some will use a beloved passage from the Hebrew Scriptures. Some will pray as if they are talking to their best friend. Be true to your faith and to your own conscience and share a prayer with all of us."

"So, let's do it," said Scott.
