“We're delighted to continue growing and bringing affordable eye care solutions to the Jacksonville community, our 2nd store in the greater Greenville-Bern-Washington market, and the 21st store in all of North Carolina. I started Stanton Optical in 2006 because I believe buying prescription eyewear shouldn't be complicated or expensive. Perfect vision is an essential part of a person's quality of life and happiness, something everyone should enjoy. At Stanton Optical, our eye care

specialists work hard to streamline the process, work with your budget, and make it easy to get what you need.”, said Daniel Stanton, founder and CEO of Stanton Optical.

With its on-site optical labs, you can walk in, get an eye exam, and get single-vision glasses made the same day in as fast as 30 minutes. Stanton Optical also offers over-the-counter eye care solutions. Stanton Optical accepts most vision insurance, FSA/HSA, and VSP out-of-network and offers special pricing for EyeMed, Medicaid, and Military families.
