

LC Rheumatology in Bowling Green, KY Welcomes New Physician, Dr. Jonathan Hendrie, to Team

Dr. Hendrie began seeing patients at the Bowling Green Lake Cumberland Rheumatology location in September 2024.

BOWLING GREEN, KY, UNITED STATES, October 17, 2024 /EINPresswire.com/ -- [Lake Cumberland Rheumatology and Infusion Center](#) specializes in bringing rheumatologic and auto-immune care to people all around Kentucky and Indiana. In September of 2024, they added rheumatologist Dr. Jonathan Hendrie to their staff, who has begun seeing patients for a variety of rheumatologic and auto-immune disorders.

Dr. Hendrie brings a wealth of experience and knowledge of Internal Medicine and Rheumatology to [LCR Bowling Green](#). After completing his degree in biochemistry and biophysics at Western Kentucky University, he spent a year in Germany working in research as part of the U.S. Fulbright program. He then completed his medical degree at the University of Kentucky, followed by an internal medicine residency at Prisma Health Upstate in South Carolina and his fellowship in rheumatology at the University of Kentucky. He is currently an active member of the American College of Rheumatology, the Coalition for State Rheumatology Organizations, and the Kentucky Rheumatology Alliance.
