October 17, 2024 /EINPresswire.com/ --
Gordon Brownlow, a seasoned
photojournalist turned author, is proud
to announce the release of his new
book, "[Molokai - The Little Island Gem
of Hawaii](#)." This comprehensive
guidebook offers an in-depth look at
the unique and tranquil island of
Molokai, providing travelers with
everything they need to know to plan
an unforgettable visit.

"Molokai - The Little Island Gem of
Hawaii" is a must-read for those
contemplating which Hawaiian island
to explore. Unlike the more
commercialized destinations, Molokai stands out with its unspoiled beauty and laid-back
atmosphere. Brownlow's guide highlights the island's best features, from pristine beaches and
scenic mountain waterfall hikes to exhilarating snorkeling, diving, fishing, hunting, and surfing
spots. Readers will also delve into Molokai's mystical and fascinating history, making it an
indispensable resource for both first-time visitors and returning enthusiasts.

Gordon Brownlow brings a wealth of experience and a unique perspective to this guidebook.
With a Bachelor's degree in Broadcasting from Montana State University and thirty years as a
photojournalist—twenty-two of those with KWGN Television in Denver—Brownlow's storytelling
prowess is evident. Following his retirement, he dedicated nine years to the Breckenridge
Heritage Alliance as a mining tour guide and museum docent, and seven winters as a ski
instructor at the Breckenridge Ski Resort. Since moving to Molokai in 2017, he has immersed
himself in the island's culture and history, culminating in this richly detailed book.

Brownlow's inspiration to write "Molokai - The Little Island Gem of Hawaii" stemmed from a personal quest. Finding few updated guidebooks on Molokai, he turned his research into a comprehensive manuscript with encouragement from his wife, Mary Jo, and positive feedback from friends. After five years of meticulous work, Brownlow collaborated with Page Publishing to bring his vision to life.

"Readers who have never heard of Molokai will find an inviting introduction to its serene pace and natural splendor," says Brownlow. "Those familiar with the island will gain deeper insights into its history, current state, and future prospects. This book is not just a guide but a tribute to Molokai's timeless charm."

"Molokai - The Little Island Gem of Hawaii" is now available on major online bookstores. For more information, please visit the Page Publishing website.
