

# DuraLabel Announces Year-End Discounts on Max Line of Industrial Print Systems

*Unlock exclusive year-end savings with DuraLabel Max Print Systems, designed for industrial-grade signs and safety labels.*

BEAVERTON, OR, UNITED STATES, October 22, 2024 /EINPresswire.com/ -- BEAVERTON, OR — October 21, 2024, DuraLabel® announces its [Holiday Promotion, offering up to \\$1,000 off](#) DuraLabel Max Sign and Label Print Systems through December 31, 2024. This is an ideal opportunity for businesses seeking robust, cost-effective print systems to bring their labeling in house for OSHA compliance, facility organization, and safety labeling.

DuraLabel Max print systems are the world's easiest-to-use industrial sign and label printers. Each comes with DuraLabel's LabelForge PRO software, featuring thousands of compliant signs, templates, and symbols. Users can quickly customize, design, and print labels for clear communication in industrial environments.

The DuraLabel Max line of printers includes:

- Kodiak Max: A two-color, 10" all-in-one benchtop printer designed for larger jobs.
- Toro Max: A portable, 4" standalone printer that can be used on any jobsite.
- Bronco Max: A cost-effective 4" printer that connects to a PC for easy use.

DuraLabel Max Print Systems use quick-swap ribbon cartridges and offer endless uses, including; Arc Flash/Electrical Warnings, OSHA Notices, Chemical and HazCom Labels, Equipment
