

The McPherson Companies Hosts Grand Opening of New Facility in Reserve, LA

After 5 years of serving the Gulf Coast region, McPherson Oil is pleased to announce their expansion into a new facility in Reserve, LA.

RESERVE, LA, UNITED STATES, October 17, 2024 /EINPresswire.com/ -- McPherson Oil, a leading provider of [commercial fuel](#), [lubricants](#) and related [equipment](#), is pleased to announce the opening of their new facility in Reserve, LA. McPherson has served the Bayou region for 5 years and this expansion marks a significant milestone for the company as they continue to grow and serve their customers throughout the Gulf Coast region.

The new facility began operations on October 14, 2024, and is located at 284 Airport Road, is situated on 4.5 acres and features 420,000 gallons of tank storage capacity, 18,740 square feet of warehouse space, 532 bin locations, and 7,500 square feet of office space. The strategic location and comprehensive catalogue of products and services epitomizes McPherson Oil's commitment to excellence and long-term relationships with their customers. With easy access to major highways and ports, the new facility will also enhance the company's logistics capabilities, ensuring timely delivery of products.

"We are thrilled to open our new facility in Reserve, LA," said Ken McPherson, CEO of McPherson Oil. "This expansion is a testament to our commitment to providing top-notch services to our customers. The new facility will not only allow us to increase our inventory and improve our logistics, but it will also create new job opportunities for the local community."

McPherson is committed to the community through not only this capital investment but is also
