

West Garden Spring Autumn by WaHoo Design Wins Bronze in A' Interior Design Awards

WaHoo Design's Exceptional Exhibition Hall Design Recognized with Prestigious A' Design Award in Interior Space and Exhibition Design Category

COMO, CO, ITALY, October 18, 2024 /EINPresswire.com/ -- The A' Design Award, one of the world's most respected [design competitions](#), has announced [WaHoo Design's](#) "West Garden Spring Autumn" as a Bronze winner in the [Interior](#) Space and Exhibition Design category. This prestigious recognition highlights the exceptional creativity and innovation demonstrated by WaHoo Design in the field of interior design.

The Bronze A' Interior Space, Retail and Exhibition Design Award is highly relevant to the interior design industry, as it showcases the latest trends, innovations, and best practices in the field. By recognizing outstanding projects like "West Garden Spring Autumn," the award serves as a benchmark for excellence, inspiring designers, companies, and brands to push the boundaries of creativity and functionality in interior spaces.

"West Garden Spring Autumn" is a remarkable exhibition hall that tells the development history of Zhongshan Park in Wuhan. Despite its compact size of less than 200 square meters, the design team at WaHoo Design has created a captivating and immersive experience for visitors. The exhibition space is divided into five parts, each featuring unique design elements inspired by books from different historical periods, such as bamboo slips, painting scrolls, and book volumes. These creative elements not only make the space more engaging but also help to bridge the gap between history and modern-day visitors.

The recognition of "West Garden Spring Autumn" by the A' Design Award is expected to have a significant impact on WaHoo Design's future projects and the interior design industry as a whole. This achievement serves as a testament to the company's commitment to excellence and innovation, and it will undoubtedly inspire the team to continue pushing the boundaries of design while creating meaningful and impactful spaces.

West Garden Spring Autumn was brought to life by a talented team of designers and professionals, including:

Creative Director Jiachang Cao, Space Designers Yadong Yang, Linchang Zheng, and Yuhao Ma, Soft Outfit Designer Chi Hang Huo, Design Director Yunlong Wang, Design Consultant Jing Liu, Academic Advisor Deb, and English Translator Si Yang. Their combined expertise and dedication have contributed to the success of this award-winning project.

Interested parties may learn more about the award-winning "West Garden Spring Autumn" exhibition hall by visiting the dedicated page on the A' Design Awards website:

The company specializes in urban renewal and rural revitalization design, striving to create innovative and impactful spaces. WaHoo Design has garnered dozens of international and national awards, cementing its position as a prominent player in the industry.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that demonstrate a high level of creativity, practicality, and professional execution. Winners of this prestigious award are acknowledged for their ability to blend form and function effectively, offering solutions that enhance people's lives and well-being. The award is granted to designs that showcase innovation, attention to detail, and the potential to positively influence industry standards.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior design across all industries since 2008. The competition welcomes entries from visionaries, leading agencies, innovative companies, and influential brands worldwide. By participating in the A' Interior Space, Retail and Exhibition Design Award category, entrants have the opportunity to gain global recognition, showcase their creativity, and be acknowledged for their exceptional design capabilities. The ultimate aim of the A' Design Award is to create a better world through the power of good design, motivating designers and brands to develop superior products and projects that positively impact society.
