

Timescape by Cheng-Chi Hung Wins Bronze in A' Interior Design Awards

*Innovative Flagship Store Design
Recognized for Excellence in Interior
Space and Exhibition*

COMO, CO, ITALY, October 18, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected competition in the [interior](#) design industry, has announced Timescape by [Cheng-Chi Hung](#) as the Bronze winner in the Interior Space and Exhibition Design category. This prestigious recognition highlights the exceptional creativity and innovation demonstrated in the design of the flagship store, positioning it as a noteworthy achievement within the field of interior design.

Timescape's award-winning design showcases the transformative potential of interior spaces, offering a fresh perspective on how retail environments can enhance brand identity and customer experience. By seamlessly integrating architectural facades, sidewalks, storefronts, and interior spaces, Timescape creates a unified and immersive atmosphere that resonates with both industry professionals and consumers alike.

The design of Timescape draws inspiration from the graceful flow of water, incorporating elements of Sparkling, Waves, and Rhythm to craft a fluid and harmonious aesthetic. The innovative use of modular metal mesh challenges traditional expectations of expanded mesh materials, resulting in a sleek surface with gentle curves that exudes grandeur and sophistication. This attention to detail and material innovation sets Timescape apart as a truly remarkable interior design achievement.

The recognition bestowed upon Timescape by the A' Interior Design Awards serves as a

testament to the skill and vision of Cheng-Chi Hung and his team. This award not only celebrates their outstanding work but also highlights the potential for interior design to push boundaries, inspire new approaches, and contribute to the advancement of the industry as a whole.
