

Chronos Cube by Felix Julius Born and Manuel Noack Wins Bronze in A' Bathroom Furniture and Sanitary Ware Design Awards

*Innovative Infinity Whirlpool Design
Recognized for Excellence in
Craftsmanship, Aesthetics, and
Functionality*

COMO, CO, ITALY, October 18, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected award in the field of [sanitary ware](#) design, has announced the Chronos Cube Infinity Whirlpool by [Felix Julius Born and Manuel Noack](#) as the Bronze winner in the Bathroom Furniture and Sanitary Ware Design category. This prestigious recognition highlights the exceptional design, craftsmanship, and innovation demonstrated by the Chronos Cube, setting it apart as a standout product in the industry.

Chronos Cube

The Chronos Cube Infinity Whirlpool's award-winning design addresses key trends and needs within the sanitary ware industry, offering a luxurious and visually stunning water feature that seamlessly integrates advanced technology and top-tier craftsmanship. Its unique combination of aesthetics and functionality aligns with the evolving standards and practices of the industry, providing users with an unparalleled experience that enhances their well-being and elevates their living spaces.

The Chronos Cube Infinity Whirlpool showcases a distinctive monolithic, stone-like appearance, featuring a symmetrical square shape and clean lines that exude timeless elegance. The design incorporates an impressive infinity effect and a relaxing waterfall, creating a captivating visual and auditory experience that transports users to a sanctuary of peace and tranquility. The whirlpool's ability to recirculate the cascading water without compromising its aesthetic appeal demonstrates the innovative engineering solutions employed in its creation.

Winning the Bronze A' Design Award serves as a testament to the dedication and skill of the Chronos Manufaktur team, motivating them to continue pushing the boundaries of design excellence and innovation in future projects. This recognition not only validates the Chronos Cube Infinity Whirlpool's outstanding design but also inspires the brand to explore new avenues for creating products that enhance people's lives and contribute positively to the industry.

Chronos Cube was designed by Felix Julius Born and Manuel Noack, with Timo Kurz contributing to the project.

About Chronos Manufaktur

Welcome to Chronos: Experience exceptional tiled zero edge infinity whirlpools with a surrounding waterfall, comfortable bench seating and stoneware! Passion combined with modern craftsmanship and the pursuit of perfection.

About Bronze A' Design Award

The Bronze A' Design Award recognizes designs that demonstrate a high level of creativity and practicality, acknowledging the skill and dedication of designers who produce innovative and professionally executed work. Winning designs are selected based on criteria such as innovative use of materials, ergonomic design, aesthetic appeal, functional efficiency, environmental impact, durability, ease of installation, user comfort, water conservation, and technological integration. The Bronze A' Design Award is a prestigious recognition granted to designs that showcase creativity, ingenuity, and astuteness, serving as a testament to the designer's experience, imagination, and resourcefulness.

About A' Design Award

The A' Bathroom Furniture and Sanitary Ware Design Award is a prestigious international competition that recognizes exceptional creativity and innovation in the sanitary ware and interior design industries. Participants include visionary designers, innovative agencies, forward-thinking companies, and influential manufacturers who showcase their outstanding bathroom furniture design capabilities. The award provides a platform for entrants to gain global exposure and recognition, contributing to the advancement of the industry. Entries undergo a rigorous blind peer-review process, evaluated by an expert jury panel based on pre-established criteria. The A' Design Award, now in its 16th year, is driven by a philanthropic mission to enhance society through the power of good design, motivating designers and brands to develop superior products that positively impact the global community.
