

# Vale Sports Rehabilitation announces its new website designed to better serve the Englewood and Bergen County community

*New Online Platform to Provide Easy Access to Comprehensive Sports Rehab and Physical Therapy Solutions for Athletes and the Local Community.*

ENGLEWOOD, NJ, UNITED STATES, October 18, 2024 /EINPresswire.com/ -- Leading sports rehabilitation and physical therapy services provider is excited to announce the launch of its new website, [valept.com](https://valept.com).

Designed to offer patients an improved online experience, the website is a convenient hub for those seeking specialized care for sports-related injuries, chronic pain, pre and post-surgery rehabilitation, and performance enhancement training in Englewood and surrounding areas.

The website provides convenient access to rehabilitation services and the booking of appointments.

“

Our goal with this website is to ensure that the Englewood community and beyond can easily access high-quality care and personalized recovery plans.”

*Adrian Lorenzo, PT, DPT*

The new website allows users to:

[Explore Services](#): Detailed information about various Sports Rehabilitation and Orthopedic Physical Therapy treatments, including Pre-Post Rehabilitation, Athletic Injury Prevention, Concussion Management, Manual Therapy, Blood Flow Restriction Therapy, and Sports Performance Training.

[Request Appointments](#) & Verify Insurance: A user-friendly online booking system expedites appointment requests,

while a hassle-free insurance verification ensures a smooth process.

Direct Access: Allows patients to see a licensed physical therapist for evaluation and treatment

without supervision or prescriptions from other healthcare providers.

[Meet the Team](#): Learn about the highly experienced physical therapists, certified athletic trainers, and rehab specialists committed to patient success.

Access Resources: Educational blog articles and rehabilitation tips to help patients maintain optimal physical health and recovery at home.

“Our goal with this website is to ensure that the Englewood community and beyond can easily access high-quality care and personalized recovery plans,” said Co-Founder/Clinic Director Adrian Lorenzo. Co-Founder and Clinic Manager Frankie Goris added, “We recognize the importance of quick, convenient access to rehabilitation services, and this platform is designed to simplify that process for athletes, weekend warriors, and anyone recovering from injury.”
