/EINPresswire.com/ -- [Mosaic Miami](#) proudly announces that Moni Barrios, current Operations & Community Outreach Director, has been appointed Board Chair of [ChamberSOUTH](#). She has been a chamber member since 2017 when she first started volunteering under her business, "Moni's Sweets." She was appointed to their Board of Directors in 2020 and the Executive Committee in 2021. As she works to enhance membership at ChamberSOUTH, she believes in creating an atmosphere where business and networking flourish. "ChamberSOUTH is not just a chamber; it's a community where everyone feels at home," said Barrios. "I am excited to create an

environment where every member knows they belong and can thrive. By working closely with fellow board members and the dedicated ChamberSOUTH staff, I aim to strengthen our programming and provide more opportunities for networking, collaboration, and growth. We can support each other's businesses, foster meaningful connections, and build a stronger, more united community.”

Barrios plans to retain current membership levels while actively seeking new members who

share her vision of community-driven economic development. Under her leadership, ChamberSOUTH will focus on innovative programming that addresses the unique needs of local businesses, fostering an inclusive atmosphere that promotes collaboration and success. When asked to provide the key to networking, Barrios said, "While digital tools are convenient, I find traditional business cards far more effective. They allow for personal notes that help me remember the connections I've made. In networking, it's those personal touches that truly count. So, keep using business cards—they're a timeless tool for meaningful relationships."

As she embarks on this new journey, Barrios invites all local business owners and community leaders to join her in building a supportive network where every member's voice is heard and valued.
