

The PicoWay® Treatment Now Available at Pocatello Tattoo Removal

POCATELLO, ID, UNITED STATES, October 23, 2024 /EINPresswire.com/ -- [Pocatello Tattoo Removal](#) is proud to announce that it now offers the revolutionary [PicoWay®](#) laser technology from Candela. PicoWay® has garnered widespread acclaim and national recognition, including a feature on NBC's Today Show. Pocatello [Tattoo Removal](#) is one of the premier clinics in Idaho that offers PicoWay® for tattoo removal.

The PicoWay® laser can effectively treat a wide range of tattoos, including difficult-to-remove blue and green ink. Additionally, it can address benign pigmented lesions, acne scars, and wrinkles with minimal downtime. The treatment stimulates collagen at a deeper level, resulting in smoother, rejuvenated skin.

The PicoWay® system delivers high peak power and the shortest pulse durations for a non-thermal, photoacoustic effect that transforms skin from the inside out. This remarkably innovative PicoWay® laser can:

- Treat a wide range of tattoos. Even difficult-to-treat blue and green tattoos.
- Significantly improve acne scars and wrinkles with a series of quick, 15 to 20-minute treatments, with minimal downtime.
- Address a range of benign pigmented lesions with flexibility in depth and spot size.

For individuals seeking tattoo removal, Pocatello Tattoo Removal invites you to experience the unparalleled capabilities of PicoWay® firsthand.

"I'm thrilled to introduce this technology to the Pocatello community. The PicoWay® represents a significant advancement in tattoo removal, enabling us to remove unwanted tattoos with minimal discomfort," said Dr. Nate Evans, owner of Pocatello Tattoo Removal. "The moment this device became available, I knew it was essential for our studio," he added.

Pocatello Tattoo Removal Introduces PicoWay Device

The PicoWay® represents a significant advancement in tattoo removal, enabling us to remove unwanted tattoos with minimal discomfort."
