“

This campus represents not just an investment in infrastructure but in the future of our students, faculty, and the healthcare sector.”

Shirsha Guha, COO of SJSM

As part of the festivities, SJSM unveiled a commemorative plaque, expressing its deep gratitude to the government and the people of St. Vincent and the Grenadines for their steadfast support in realizing this remarkable achievement.

The new campus features a state-of-the-art, [5,500 square-foot building](#) with classrooms and administrative offices, complemented by a 4,500 square-foot outdoor

amphitheater designed to foster collaborative learning and community engagement. This project represents the first phase of a broader development plan, with phase two scheduled for completion by the end of 2026.

Designed by the acclaimed Argo Design Studio and constructed by Apollo Group, the new facility reflects SJSM's dedication to academic innovation and growth.

Mrs. Shirsha Guha, Chief Operating Officer of SJSM, shared her excitement:

"The opening of this new campus is the perfect way to celebrate our 25th anniversary, highlighting our evolution and unwavering commitment to our students and community. This campus is more than just a building—it

embodies our mission to provide world-class medical education in an environment that nurtures academic and personal growth. We are immensely grateful to the government and the people of St. Vincent for their support in making this vision a reality."

SJSM Campus

The 25th anniversary of SJSM marks a significant milestone in its journey to becoming a leading institution for medical education in the Caribbean. With phase two of the campus development on the horizon, SJSM looks forward to continuing its mission of shaping future healthcare leaders, in partnership with the vibrant St. Vincent community.
