

Retail Mechanical Services Welcomes Becky Robbins as National Sales Manager

BOHEMIA, NY, UNITED STATES, October 21, 2024 /EINPresswire.com/ -- Retail Mechanical Services is excited to announce the hiring of Becky Robbins as its new National Sales Manager. Becky's addition to the team will bring expanded expertise and a commitment to service and reliability for facilities managers across the country.

With 9 years of experience in the facilities industry, Becky understands the unique challenges that facilities

managers face, particularly in maintaining critical HVAC and refrigeration systems. Her relationship-driven approach and focus on operational efficiency will allow Retail Mechanical Services to expand the reach of tailored mechanical solutions that meet the demanding needs of industries like retail, restaurants, banking, and more.

“

Facilities managers need reliable partners who understand both the operational and strategic aspects of their business. I'm excited to help deliver that level of service.”

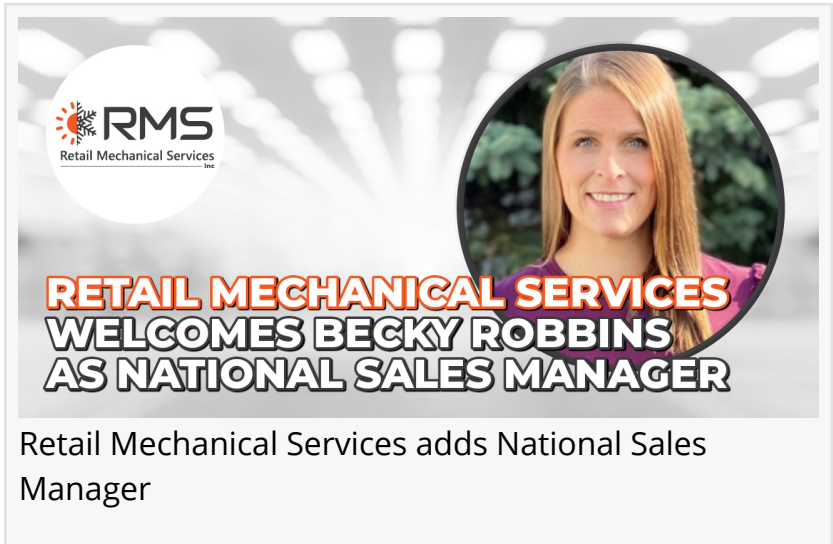

Becky Robbins

"Facilities managers need reliable partners who understand both the operational and strategic aspects of their business," said Becky Robbins. "I'm excited to help deliver that level of service, ensuring our clients' systems run smoothly, reduce downtime, and improve cost efficiencies."

"We're thrilled to welcome Becky to our team," said Jenn McCoy, Director of Operations at Retail Mechanical Services. "Her personal approach and proven track record

in business development will help us continue to deliver exceptional service and expand our footprint."

Retail Mechanical Services, headquartered in Bohemia, New York, has established itself as a national leader in commercial HVAC and refrigeration services. With Becky Robbins on board, the company is poised to further strengthen its relationships within the facilities maintenance

industry and enhance its service offerings.
