

WSI Celebrates Website Design Excellence at the 2024 WMA WebAwards

Prestigious awards celebrate the very best in website design, development, and marketing within WSI network.

TORONTO, ONTARIO, CANADA, October 21, 2024 /EINPresswire.com/ -- WSI, the world's largest network of digital marketing consultants, is thrilled to announce that several of its consultants have been recognized at

the 2024 Web Marketing Association (WMA) WebAwards. These prestigious awards celebrate the very best in website design, development, and marketing, and WSI's continued success highlights the excellence of its network in delivering cutting-edge digital marketing solutions.

“

We are incredibly proud of our consultants who continue to raise the bar in delivering digital strategies and website design.”

Valerie Brown-Dufour

The following WSI consultants and agencies were honored:

Andreas & Georgia Mueller-Schubert: Best Beverage Website, Best Transportation Website, and two Outstanding Website Awards

Peter Jasniewski & Mike Gualtieri: Best Design Website

Lori & Art Millington: Best General Interest Website

Kalpana Murthy: Best Information Services Website

Orazio Parodi: Consulting Standard of Excellence

Tali Hasanov: Financial Services Standard of Excellence

Tom Porter & Daphne Anderson: Legal Standard of Excellence

Christina & Peter Pilarski & CIPR Communications: Outstanding Website

“We are incredibly proud of our consultants who continue to raise the bar in delivering digital strategies and website design,” said WSI President Valerie Brown-Dufour. “These awards are a testament to their dedication and skill in helping businesses thrive in the ever-evolving digital landscape.”

The WMA WebAwards is an annual competition that sets the standard of excellence for website

design and development. Winning these awards showcases WSI's ability to deliver innovative and effective web solutions across multiple industries.

About WSI:

WSI is the world's largest network of digital marketing consultants, with offices worldwide. For nearly three decades, WSI has been helping businesses harness the power of digital technologies to grow and succeed. Our global team of consultants provides a full suite of digital marketing solutions, including AI consulting, SEO, PPC, content marketing, and more, all driven by our mission to unlock a world of possibilities for the businesses we serve.
