

# Swab-its® Launches Innovative 6.5mm/.25cal Bore-Tips® for Precision Firearm Cleaning

Swab-its, a leading brand in firearm cleaning technology, is excited to announce the launch of its latest innovation: the 6.5mm/.25cal Bore-Tips.

SPRINGFIELD, MA, UNITED STATES, October 21, 2024 /EINPresswire.com/ -- Swab-its, a leading brand in firearm cleaning technology, is excited to announce the launch of its latest innovation: the 6.5mm/.25cal Bore-Tips. Designed for optimal cleaning performance, these new bore-tips provide firearm enthusiasts and professionals with an efficient solution for maintaining their equipment.

The new 6.5mm Bore-Tips are engineered with advanced materials to ensure a lint-free, effective clean, reaching deep into the bore of firearms without causing damage. This latest addition to the Swab-its product line offers users a precise fit for 6.5mm calibers, making cleaning easier and more thorough.

Swab-its brand new 6.5mm Bore-tips cleaning swab

“

Our new 6.5mm Bore-Tips represent our commitment to providing the best cleaning solutions for firearm users”

*Michael Lecrenski, Marketing Manager of Swab-its*

“Our new 6.5mm Bore-Tips represent our commitment to providing the best cleaning solutions for firearm users,” said Michael Lecrenski, Marketing Manager of Swab-its. “We understand that maintaining a firearm’s performance relies heavily on proper cleaning, and our innovative design allows for a deep clean without the hassle of traditional methods.”

Swab-its Bore-Tips are washable and reusable, making them a sustainable choice for firearm maintenance. Their unique design allows for effective

application of solvents, oils, and lubricants, ensuring that every firearm is maintained to the highest standard.

The 6.5mm Bore-Tips will be available for purchase on October 1, 2024 through Swab-its' website and Amazon. Customers can look forward to experiencing the superior cleaning capabilities that Swab-its is known for.
