

NexGen Virtual Office Partners with TD SYNEX to Expand Distribution

The partnership significantly expands the market reach of NexGen Virtual Office, the premier business communication management tool for hybrid-remote workforces

BOCA RATON, FL, UNITED STATES, October 22, 2024 /EINPresswire.com/ -- [NexGen Virtual Office](#), a leading business communication management platform for hybrid-remote workforces, today announced a strategic partnership with TD SYNEX, a leading global distributor and solutions aggregator for the IT ecosystem. This partnership will significantly expand the reach of NexGen [Virtual Office's](#) cutting-edge solutions designed to enhance collaboration, community, and culture for distributed work environments.

NexGen Virtual Office addresses the unique challenges of hybrid-remote work by offering a comprehensive suite of business tools that streamline communication and collaboration.

Unlike typical video conferencing platforms like Zoom and Teams, NexGen Virtual Office distinguishes itself with instant collaboration capabilities while eliminating the need for meeting invites. The platform features a customizable virtual workspace that mirrors a brick-and-mortar office, allowing remote employees to have a true place and presence and feel part of the community from anywhere in the world.

"Our partnership with TD SYNEX marks an exciting milestone for NexGen Virtual Office," said

A customizable virtual workspace that mirrors a brick-and-mortar office

Joseph Jacoboni, CEO. "TD SYNEX's vast network of solution providers will bring our powerful business communication platform to a wider audience, empowering them to create a more connected and engaged hybrid-remote workforce."

Through this partnership, TD SYNEX's extensive network of resellers will be able to offer NexGen Virtual Office's innovative solutions to their customers. This will enable organizations to enhance communication and collaboration among their distributed teams, regardless of employee locations. By supporting both the technical and cultural aspects of remote work, NexGen Virtual Office creates a cohesive work environment where employees can build a strong sense of community and culture.

"TD SYNEX is committed to uniting IT solutions that deliver meaningful business outcomes," said Matt Fox, Vice President of Cloud Solutions, Americas at TD SYNEX. "The addition of NexGen Virtual Office to our comprehensive portfolio enhances our ability to provide customers with transformative technology solutions that drive growth and success."

About NexGen Virtual Office

NexGen Virtual Office is a comprehensive business communication management platform tailored for the hybrid-remote work environment. By mirroring a brick-and-mortar office setting, the platform enables seamless collaboration and a strong sense of community, without the need for meeting links or invites. NexGen Virtual Office empowers modern businesses to maintain engagement and efficiency in a hybrid-remote work model. For more information, please visit www.nexgenvirtualoffice.com.
