

# WOW-ME: Empowering Women to Re-Enter the Workforce

*WOW-ME empowers women with innovative career guidance, training & digital tools to re-enter the workforce. Join us & achieve your career goals!*

BARCELONA, POBLE NOU, SPAIN,  
October 22, 2024 /EINPresswire.com/ --  
We are thrilled to announce the launch of the [WOW-ME](#) project, an innovative Erasmus+ European Commission project funded by the EU and [SEPIE](#) - Servicio Español para la Internacionalización de la Educación.

In an effort to address the challenges faced by women re-entering the workforce, WOW-ME offers a comprehensive range of services, including:

**Innovative Career Guidance:** Our experts provide personalized guidance and support to help women identify their career goals and develop effective job search strategies.

- **Tailored Training Programs:** We offer a variety of training programs that equip women with the skills they need to succeed in today's job market, including digital literacy, communication, and leadership development.

- **Online Toolkit for Trainers:** Our online toolkit provides trainers with the resources and tools they need to deliver effective training programs that meet the specific needs of women re-entering the workforce.

- **National Testing and Training:** We collaborate with partners across Europe to test our training programs in various national contexts and ensure that they are culturally relevant and effective.

By providing these comprehensive services, WOW-ME aims to help women overcome the barriers they may face in re-entering the workforce and achieve their career aspirations.

Join us in empowering women and creating a more inclusive job market.
