

Dr. McNeight Honored As One Of America's 40 Under 40 Top Dentists for 2024

Dr. McNeight has been named one of America's 40 Under 40 Top Dentists for 2024 by Incisal Edge, recognizing her dedication to personalized orthodontic care.

VIERA, FL, UNITED STATES, October 22, 2024 /EINPresswire.com/ -- Local practitioner Dr. McNeight is proud to be selected by Incisal Edge as one of the magazine's 40 Under 40 Top Dentists in America for 2024. This prestigious honor, now in its fourteenth year, is based on nominations from dentists' colleagues and peers. They are then carefully evaluated by an independent panel of judges including three doctors, who are also former honorees, to select the finalists.

"Considering there are approximately 200,000 licensed dentists in America, being selected as one of our 40 Under 40 doesn't merely put honorees in the top 1% of their profession. It puts them at the very top echelon within that 1%," said Incisal Edge magazine's editor, Edward Kobesky. "Each year's 40 Under 40 are always among the most ambitious, caring, innovative and clinically gifted doctors working today, and this year's group is arguably our most diverse and impactful yet."

As with all of Incisal Edge magazine's lists, rankings and awards, people and companies pay no fee to nominate, participate or be selected.

"Being chosen as one of Incisal Edge's 40 Under 40 is a highly coveted honor that requires an enormous amount of dedication to all aspects of dentistry, as well as a relentless commitment to ever-higher levels of clinical achievement," said Jennifer Hannon, VP, Brand Marketing & Digital Transformation for Benco Dental, the publisher of Incisal Edge. "There's no question that each

and every honoree has earned their status, particularly since all nominations are carefully scrutinized by a panel of similarly high-achieving dentists and dental experts."

"It's an incredible privilege to be recognized," said Dr. McNeight. "I'm passionate about delivering the highest level of personalized orthodontic care to our patients, and this recognition is a reflection of our amazing team at Caudill and McNeight Orthodontics and the trust our patients place in us. It's incredibly rewarding to see the confidence that a beautiful, healthy smile can bring to someone's life. I look forward to continuing to serve our community and making a positive impact on the Space Coast for years to come."

Incisal Edge magazine is distributed in print to over 136,000 intellectually curious, business-minded and clinically driven dentists and dental professionals. The multiple award-winning print and digital media property is considered dentistry's premier destination for peer-to-peer insights, strategies and thought leadership, as well as the leading authority on ranking dentistry's most successful and influential individuals.
