“NEW LEAF (Turning the Page)” sets the tone for Teezy’s latest chapter of artistry. Building off

bumping beats by UK producer Joshua Matthew Wiehahn, Teezy's catchy melody and soulful harmonies are skillfully layered to create the ultimate dance song. Within his true-to-the-heart lyricism, Teezy encourages listeners to "turn a new leaf" and dive headfirst into a life led by God, coming from someone whose devotion and faith have guided him through his blooming success. "NEW LEAF (Turning the Page)" advocates for listeners to turn their page and start a new chapter because no matter where life's ups and downs take them, there's "no time like the present." Teezy "knows that it's a blessin'," and seeks to inspire others with his limitless gratitude and optimism.

"NEW LEAF (Turning the Page)" is an incredible sister music video that perfectly complements Teezy's hit "I FEEL GOOD." Directed by Will Thomas, "NEW LEAF (Turning the Page)" takes a similar cinematic approach but swaps sunny summertime choreography for a neon underground dance party. This is the perfect arena for Teezy to flaunt his prowess and style as a rapper and dancer. Decked out in a white suit, paying homage to his favorite artist Michael Jackson, Teezy shows off his skills without ever losing sight of the most important thing—the Word of God. Teezy's lively energy will have viewers swarming to the dance floor to praise the Lord and have a blast doing it. It's yet another fantastic contribution to Teezy's flourishing repertoire—solidifying him as an emerging spiritual leader in the creative arena.
