alternative voting options, as Free & Equal opens a winner poll on its blockchain voting app utilizing Ranked Choice Voting, ensuring that votes are securely counted and verifiable on the blockchain ledger. Voting will open immediately following the debate.

"This debate is about giving voters real choices and ensuring their voices are heard. With blockchain voting, we are pioneering a transparent, secure way to count votes, creating trust in the process," said Christina Tobin.

The debate will feature a dynamic lineup of candidates committed to expanding voter choice, including Dr. Jill Stein (Green Party), Chase Oliver (Libertarian Party), and Randall Terry (Constitution Party). Adding to the momentum, the event will serve as the kickoff for United We Stand 2025, a nationwide movement uniting voices across the political spectrum, advocating for open debates and greater voter empowerment. A powerful lineup of artists and speakers has been confirmed to support this landmark event, including:
