

CEO Henning Morales Expands Grand Reveal of Mindatorium's' Unique Streaming Platform to Multiple International Locations

November Tour Will Include Presentations in UK, Germany, Toronto and Mexico

BEVERLY HILLS, CA, UNITED STATES, October 23, 2024 /EINPresswire.com/ -- Following the success of Mindatorium's "Grand Reveal and Awards" event last month in Beverly Hills, the company is now taking the initial steps toward establishing its international footprint. Founder and CEO Henning Morales will be hitting the airlines in November to expand the Mindatorium message and the excitement of the Grand Reveal to audiences in London, Frankfurt, Toronto and Mexico City.

Mr Morales was clearly upbeat about this announcement, stating "I'm very excited about the tremendous response we've received during and since our Grand Reveal. Our proprietary AI-generated technology gives us a distinct advantage for global expansion by making both our platform and our affiliate program immediately available to 5.1 billion people speaking 13 languages. This is just the first step in expanding into what we expect will be a large and successful international community."

The audience for these events will include filmmakers, musicians, thought leaders, personal development specialists, humanitarians, marketers and others interested in expanding the Mindatorium streaming platform and sharing the company's goal of improving humanity through exciting entertainment, positive messaging and personal development. The company already has Executive Leaders with "boots on the ground" in all four of these locations and enthusiastic crowds are expected at each of these events.

In addition to a recap of last month's Grand Reveal, participants will be introduced to the Seven Sectors of the Mindatorium platform, and when appropriate will be invited to join the community as collaborators, contributors, investors and/or Wealth Builder Affiliates. Those sectors include:
