Whetstone's unique perspective combines his deep understanding of organizational processes with a keen awareness of employee perception and retention. His leadership in the S.W.O.T service will focus on evaluating organizational dynamics and providing actionable recommendations for improvement.

“

Leaders need to know the game plan to be successful. Our S.W.O.T. program evaluates an organization's strengths & weaknesses while assessing team member perceptions to foster a thriving workplace.”

Jerry Whetstone

“Keeping the team on, or in the field, should always be a top priority in any program,” Whetstone stated. “Leaders need to know the game plan to be successful. Our S.W.O.T. program evaluates an organization's strengths and weaknesses while assessing team member perceptions to foster a thriving workplace.”

BizAvJets Founder Eli Stepp echoed Whetstone's sentiments, emphasizing the importance of fresh perspectives in organizational assessments. “Our S.W.O.T. service offers essential insights that can lead to significant cost savings and improved team member retention. An

objective opinion can illuminate opportunities that may not be visible from within.”

BizAvJets is excited to create a proposal for organizations interested in enhancing their operational efficiency and employee satisfaction through the S.W.O.T. analysis.
