

Changes Healing Center Offers Accessible Intensive Outpatient Programs for Clients Across the Phoenix Valley

Changes Healing Center provides Joint Commission-accredited IOP services across the Valley, now serving Phoenix, Chandler, and Glendale. AHCCCS accepted.

PHOENIX, AZ, UNITED STATES, October 25, 2024 /EINPresswire.com/ -- Changes Healing Center announces the expansion of its comprehensive Intensive Outpatient Programs (IOP) across the Phoenix Valley, reinforcing its position as Arizona's leading destination for outpatient rehabilitation services. The center's Joint Commission-accredited programs offer enhanced accessibility to residents throughout Maricopa County, with their central location conveniently serving Phoenix, Chandler, and Glendale communities.

Changes Healing Center offers accredited dual diagnosis and addiction treatment

"Our mission has always been to make quality rehabilitation services accessible to everyone who needs them," states a spokesperson for Purpose Healing Center. "By accepting AHCCCS with accessibility across the Phoenix Valley, Changes breaks down barriers to treatment and ensures that comprehensive care is within reach for all residents of Maricopa County."

The center's [Phoenix Valley IOP programs provide flexible scheduling options](#) and evidence-based treatment protocols, allowing clients to maintain their daily responsibilities while receiving expert care. The program integrates individual therapy, group sessions, and holistic healing approaches, creating a comprehensive recovery experience that addresses both substance use and mental health concerns.

Expanded Access in Chandler

Changes' [JCAHO-accredited treatment services as a Chandler IOP destination](#) extends its reach to East Valley communities, offering the same high-quality, accredited services in a convenient setting.

"The accessibility of our facility has become a crucial resource for Chandler and East Valley residents seeking outpatient support," the spokesperson explains. "The program's success demonstrates the growing need for accessible treatment options in our suburban communities."

Convenient Glendale IOP Services

Serving the West Valley, their Phoenix [location is also easily accessible as a Glendale IOP choice](#) and provides a

vital connection point for residents seeking quality rehabilitation services closer to home. Their IOP services feature comprehensive programming and accept AHCCCS, ensuring that all Maricopa County residents have equal access to Changes Healing Center's acclaimed treatment protocols.

“

By accepting AHCCCS with accessibility across the Phoenix Valley, Changes breaks down barriers to treatment and ensures that comprehensive care is within reach for all residents of Maricopa County”
a spokesperson for Changes Healing Center

"The ease of attending our IOP services for clients from across the Phoenix Valley represents our commitment to meeting clients where they are," adds the spokesperson. "With our central location in Phoenix, we're ensuring that geography and transportation never stand between individuals and their recovery journey."

Changes Healing Center's Phoenix Valley IOP offering maintains the highest standards of care, featuring:

The graphic is a dark blue rectangle with a white border. At the top left is the Changes Healing Center logo, which consists of a white tree icon inside a circle, followed by the word "Changes" in a large, white, serif font, and "HEALING CENTER" in a smaller, white, sans-serif font below it. The background of the graphic features faint, white line-art illustrations of various plants, including cacti and succulents. In the center, the text "GET HELP FOR YOURSELF OR A LOVED ONE TO GET (AND STAY) SOBER AT CHANGES HEALING" is written in a bold, white, sans-serif font. Below this, the phrase "REACH OUT TODAY!" is written in a smaller, bold, white, sans-serif font. On the right side of the graphic, a hand is shown holding a smartphone, with the screen displaying a white background. At the bottom of the graphic, the text "All calls to Changes Healing Center are confidential so clients can reach out in confidence to get options for recovery support" is written in a white, sans-serif font.
