

Vault Ranks CapTech's Elevate Internship Program #3 Best Consulting Internship in the Country

RICHMOND, VA, UNITED STATES, October 24, 2024 /EINPresswire.com/ -- [CapTech](#) Ventures, Inc. (CapTech), a US-based technology consulting firm, announced that it has ranked as #3 best Consulting Internship by Vault.

Vault's annual survey ranked the nation's [highest-rated internship programs](#) across a survey pool of over 20,000 interns from more than 300 companies nationwide. Vault is a comprehensive resource for job seekers, providing information on employers, industries, interviews, and internships.

“

Investing in our college hires – and by extension, our internship program, is an important part of our company culture. We are thrilled to rank on the Vault Best Internship list again.”

Suzie Turner, CapTech CHRO

CapTech’s unique 10-week internship program, [Elevate](#), simulates a client engagement. Interns achieve a full understanding of the consultant experience while solving client problems with innovative technology solutions. Interns work together in teams, paired with senior CapTech consultants for coaching and technical mentorship to solve the kinds of challenges we face with our Fortune 500 clients.

“Investing in our college hires – and by extension, our internship program, is an important part of our company

culture. We are thrilled to rank on the Vault Best Internship list again. By providing mentorship from senior consultants, technical experts, and our leadership team, interns are well supported as they move into their next step of their professional careers,” said CapTech CHRO Suzie Turner.

Our award-winning Elevate internship program is offered every Summer to rising seniors who intend to graduate within a year. Elevate is a highly competitive program and many interns join CapTech as full-time consultants after graduation from college.

This year's CapTech interns came from 11 premier universities including from University of Virginia, Virginia Tech, UNC-Chapel Hill, University of Maryland, and Georgia Tech.
