top as an Amazon Best-Seller. This enchanting series continues to capture the hearts of readers of all ages, offering a delightful blend of whimsy, adventure, and timeless themes. As Mark Victor Hansen eloquently stated about the first installment, "Frogville is an enchanting tale, full of imagination and charm. Frost has given us what is sure to become an instant children's classic, a story for the child in us all."

About the Series

The Frogville Quest adventure began with "Quest of a Frog," where readers were introduced to the cursed town of Frogville. The story follows thirteen-year-old Lily Lotus Dillweed, who unexpectedly transforms into a frog instead of her twin brother Crocus on their thirteenth birthday, defying the town's curse that traditionally affects only boys. This twist sets off a chain of events that leads Lily on a journey filled with magic, friendship, and self-discovery.

In this latest installment, "Quest for a King," Crocus finds himself imprisoned in King Stephen's dungeon and must be rescued by his sister Lily and his best friend Burhead. Lily and Burhead face significant challenges to secure his release. Then the three of them must undertake a dangerous mission to convince the King to allow them to return home to Frogville. This narrative not only entertains but also imparts valuable lessons about courage and teamwork.

Series Progression

The Frogville series unfolds through captivating titles like "Quest for a Princess," "Quest for a Queen," and "Quest for a Sword." Each book expands on this magical world where royal kisses break curses and unlikely friendships blossom. The series skillfully intertwines themes of

friendship, bravery, and destiny into its captivating narrative. Each book pays tribute to different literary traditions, starting with traditional fairy tales and later exploring themes from Arabian Nights, Irish fairy tales, Norse mythology, Germanic Hero legends, and even modern literature such as "The Wizard of Oz."

Children appreciate the fun stories that transport them into a world of magic and adventure. Adults find joy in the literary content and wholesome messaging that resonate with readers across generations. The series' ability to balance entertainment with educational value makes it an ideal choice for both leisure reading and academic settings.

Critical Acclaim

The Frogville Quest series has garnered high praise from critics and readers alike. Crystal Dwyer Hansen, New York Times Bestselling [author](#) of "ASK!," described it as "pure magic" and a delightful read for all ages. David Neuman, bestselling author of "Tiggywinkles," called it "Marvelous." Lori Zapata, bestselling author and award-winning photographer, declared, "The Frogville Quest series of books is for the children in all of us!" More importantly, elementary school students from the Fort Towson and Hugo Elementary Schools have expressed their love for the characters and the enchanting world Frost has created.
